Clemente,

I appreciate you sharing your observations and hunches.

The showers started in September and only run every other Thursday.

It's a stretch to attribute crime increases to this bi weekly daily shower service especially when the occurrences of the homicide, assault, and robbery occurred on a Monday 4/1.

I'm equally frustrated with the absence of outreach, education, and enforcement of the RVs since our walk through. However, I am confident LAPD is committed to helping us resolve any verified contributing sources of crime.

There are pros and cons about the showers. About three months ago we had a family with three kids that used the showers and were very appreciative to have the opportunity to shower since they hadn't showered in four days. However, about 90% of the people who use the showers are the same prostitutes and dope fiends that are harassing, robbing and threatening our patrons and staff. In my observation the crime rate has gone up since the shower's have been here and as I am writing this the same 13 RV's have not moved since we did the walk through on April 4th.

Hello all,

Thank you for taking the time to meet and discuss the needs of Lincoln Park. During our walk in the park, we noted that maintenance needs to replace two missing doors in the Valley/Mission restrooms. We also walked along Valley Blvd. and discussed the problem RV's on the Valley side of the park.

In brainstorming for solutions, we discussed foot beats in the park to address drinking in public and narcotics. Park Rangers, LAPD, HOPE, and Security Services are going to form a task force for after hours. We also brought up possible problems with mobile showers.

Summary

Pressing needs:

- 2 missing doors in Valley and Mission restrooms- need to contact maintenance to replace
- Problem RV's on Valley side of park

For the future:

- Foot beats in park to address drinking in public and narcotics
- Task force between Park Rangers, LAPD, HOPE, Security Services after hours
- Possible issues with mobile showers

LAHSA/ LAPD Partners,

I want to give you an update on the status of the two CD1 Safe Parking sites.

Westlake site:

Lot Operator: End Homelessness CA dba Shower of Hope

Service Provider: Homeless Healthcare LA

Capacity: 20 vehicles including RVs

Targeted Population: women and family vehicle dwellers in Rampart Division then expand outward into neighboring divisions.

Interest List: 3 women

Operation: 8pm to 7am

Launch:

Monday, April 8 at 8pm

Glassell Park site:

Lot Operator: End Homelessness CA, dba Shower of Hope

Service Provider: Exodus Recovery

Capacity: 20 vehicles including RVs

Targeted Population: vehicle dwellers in Northeast Division then expand outward into neighboring divisions.

Interest List: 11 singles

Operation: 7pm to 7am

Launch:

Monday, April 15 at 7pm

Each LAPD Division is aware and received information on program.

Each service provider connected to site has performed outreach in March that is ongoing and is maintaining the interest list.

Request for LAHSA and OCB HOPE:

- Provide information and flyers to vehicle dwellers in the respective divisions.

I have attached program flyers for participants and CD1 Safe Parking Program fact sheet for you.

Your support is appreciated.

Subject: CD1 Request for 3/7 Clearance of Encampment/ Vehicle Dwellers Interference of Construction Project

UHRC,

Yesterday, CD1 was notified by the Arroyo Seco Development Group that they will start posting No Trespassing signage and new fencing for construction of vacant supermarket on Thursday, March 7 at 2619 N. Figueroa.

The site has 2 medium size encampments w/ tents and 7 vehicles (RVs/ cars/ trucks) used for dwelling across the property. Attached are photos from yesterday 3/5 at 4pm.

Project schedule is as follows:

- Sign No Trespass Authorization w LAPD (done)
- Post notices on all vehicles in vacant lot of being on private property and schedule for No Trespassing Signs and Fencing Installation for Th 3/7 & F 3/8 (W 3/6)
- Activate towing of vehicles left on private property (pending Th 3/7)
- Install No Trespassing Signs and Fencing (pending Th 3/7 & F 3/8)

CD1 and Sgt Arellano at LAPD Northeast have discussed this schedule shared by new property owners/ development group. Sgt Arellano is evaluating resources to help and will know more later this morning.

CD1 needs LAPD support to clear the encampments and vehicle dwellers at site that may not voluntarily leave upon receiving notices from property owner today.

Please let me know we can count on support and coordination by UHRC/ Northeast and what you need from CD1.

We will need to postpone 3/25 opening ceremony.

We also are experiencing delays with starting up site and moving people in.

A new move in/ intake schedule and opening ceremony date will be sent out shortly.

As far as questions below:

- 1) With advance notice preferably 2 weeks, LACC can modify work schedule to start later and work until 6/7pm.
- 2) Office of Community Beautification contractor for area is Central City Action. LACC does not do removal.
- 3) Im not understanding. Pls elaborate regarding parking concerns.

Also. On Saturdays, LASAN will have a crew doing bulky sweeps and bio hazard abatement in the following grids:

Cpt Jimenez and Sgt Siguenas,

Pls see below. The photos are hard to make out.

The encampments appear to be below the Metrolink Central Maintenance Facility along the LA River approximately between Rosview Ave and Pepper Ave.

Parcels:

DWP Owned

APN: 5445006901

LA City Owned

APN: 5445006905

Pls let me know if and when you can assist with at least scouting the area to verify scope.

I've been reporting this camp to the reps of city electeds, PIO for DWP and Metrolink. I just learned about your program from Rick Arias.

For the past three weeks - we've had a group of rowdy homeless People take up camp on the east bank / underneath

the DWP utility tower.

As you can see in photographs taken tonight- the camp now stretches from Gatewood (east) to Meadowvale (west) in Elysian Valley- 1/4 of a mile of tents with people and dogs living along the top of the wall of the flood control district's service road - levy.

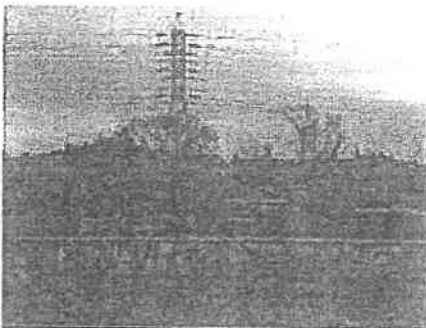

On the West Bank of the river we have a bike path and residents and homes. On your side you have people camping in your right of way. But it's industrial, not open to the public and has Metrolink.

Please follow protocol - for homeless people living in the channel- move them out. I understand 48 hours after giving notice you can move them out. Please relocate them to a safe place to camp. They urinate and defecate in the river. They bathe in the river and recently the MRCA has even opened up a water station at Oros. My neighbors say they've seen a naked woman bathing there. She's sick- 30 yr old - head shaven -swore at me for 5 min- when I told her it was not safe to sleep in the river during the storm.

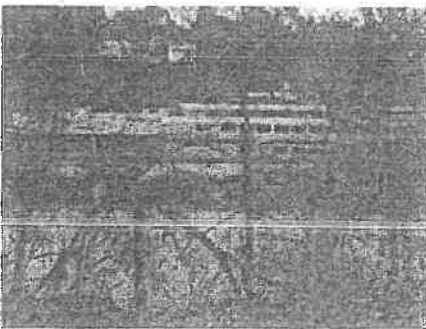

Appreciate your help. I hope the homeless can find safe shelter. But not in the river. It's not safe for them, the water, the animals or us the neighbors. And it's against the law. Please help them move somewhere safe.

Thank you for your help, Bunker Hill and Llewellyn were completely cleared.

The Rampart team spoke with the officers that are going to patrol your site near Alvarado and they might be interested in getting LACC to clean some of the area. This conversational was between officer; I will contact their supervisor before we move on, but from your side is this something you might be willing to support? I know the SLOs have not worked out too well, but maybe this will work out better. Let me know your thoughts and I will keep you updated.

I have not been able to get to your Piedmont site, but the Northeast team said it still looks the same.

I was hoping you might be able to assist me with the Llewellyn site. LASAN claimed the site was too large; removed the bulky items and had the homeless comply with 56.11 ordinance. Officers warned the homeless subjects that we were going to return tomorrow, but was hoping you could assist me with the LACC team in case this does not occur. I do not know who gave you the picture, but there was approximately 7 tents, 10 homeless subjects, and 2 RVs. Officers coordinated with DOT and they will be back tomorrow for the vehicles.

The homeless subjects claimed, they were warned and would be gone by tomorrow (the large blue tent was the only one that was taken down and removed by the owner).

If LACC is available we will meet them at Llewellyn at 0830.

Hello Mr. Rodriguez,

Thank you for sharing this information as we have some families that will benefit from this community resource. I am also reaching out to you for your support regarding the bridge that faces Loreto's lower yard near Cypress Avenue. In the last couple of weeks, we have had an increase of homeless encampments under the bridge visible on our yard. In addition, shopping carts with personal belongings from transient are blocking access to families who use the bridge to get to school on a daily basis. When anyone tries to move the carts out of the way, some of these individuals have threatened or chased people with intent to harm. I have called our school police for patrolling, cal trans, and 311 app to report these problems and we have not been successful in resolving them. My students are a few feet from the bridge and have full view of the tent with tenants currently housed under the bridge. Your guidance and support is greatly appreciated.

Yesterday, CD1 was notified by Trammell Crow Company that they will start construction of 318 unit housing on Tuesday, February 26 at 130 W. Lewellyn St between Main St/ Rondout St.

The project Traffic Control Plan (TCP) has been approved by DOT to install the K-Rail and post signage on both sides of Llewellyn Street that contain the following items:

- Pursuant to Permit # (TBD)
- Effective Date
- Reason for TCP: New construction of 318-unit project
- Language that affirmatively states that anyone present after posting of the signs will be subject to 'cite and tow'.

Project schedule is as follows:

- Obtain permits by Friday, 2/22 (done)
- Post signs by Friday, 2/22 (done)
- Install K-rail on Tuesday, 2/26

CD1 needs LAPD/ LASAN support to clear the numerous encampments on Lewellyn St between Main St/ Rondout St. that are currently interfering with the scheduled K- rail installation on Tuesday, February 26.

Please let me know we can count on support and coordination by UHRC and what you need from CD1.

Yes that was it, but before the police came and asked them to move as to not block the sidewalk, it was larger, blocking the curb and sidewalk, and 3 men were under there. This whole thing is very upsetting. Also, at the encampment at the end of the street last Sunday morning, it looked like the guy in the van was selling drugs to some people at like 11:45am. They were blocking the street and I had to slowly pass by in my car and it appeared something like that was going on.

I really hope something can be done about this as it's getting out of control.

Are you talking about what looks like a "storage" under a tent?
Right in front of the DWP?
There was one very similar to that for years, it took so long for the city to be able to remove it. Unfortunately.
I just passed by the encampment right now and it's bad....
They spilled over on tan park and there are trash everywhere.. anyway..

Bill, when is the next removal and when is happens, did you also notified the park "rangers" so they just can't move across the st...?

Thank you.

Subject: Re: ave 61 Encampment - PLEASE HELP

Hi All,

I think giving citations to homeless people for selling drugs is pointless, and clearly this strategy has done nothing to assist in this situation. They aren't going to pay a ticket, clearly, as is evidenced by driving down Avenue 61 during the day. There seems to be more drug dealing activities along with other questionable dealings.. I feel like we are continuously being told that a "removal is scheduled" however this has been an ongoing problem for over 4 months now. I'm going to begin exploring other avenues of how to get our council members involved. I'm copying additional members of Gil Cedillo's staff on this email in order to make them aware of the situation, in the event that they can offer any additional suggestions, as the "scheduling removal" line is getting old for me.

Thank you,

Hi Bill,

I would also like to report that further up on Avenue 61, right in front of the DWP, between Piedmont and Monte Vista, and *conveniently* directly across from my house, there is a new "tent" made up of shopping carts, tarps and other random things. Three men were inside talking loudly to each other on Tuesday night and they were blocking both the sidewalk and the curb, taking up parking spaces and making others not want to park nearby. I called the police since this was not technically an "encampment" (yet anyways...) and it made me uncomfortable as I'm a single woman who lives alone. The police made them move against the wall of the DWP rather than in the middle of the sidewalk/curb, but their little fort remains there. I really think it's inappropriate and feels quite unsafe since it's a residential block where children live.

RAP Rangers & LAPD Team:

Just a reminder.

On Thursday, January 10 from 10am to 2pm CD1 and Exodus Recovery will host a Homeless Connect Day at Lincoln Park Recreation Center.

Our past connect events at Lincoln Park have helped many homeless people connect with resources.

Set Up is at 7:30am and breakdown at 2pm.

We will set up outside on grass on Valley Blvd by Recreation Center.

Our goal is to bring about 30 resources. The mobile shower and mobile health clinics will be on site.

Pls see the flyers to help distribute to homeless in Lincoln Heights.

If you need flyers I will have some for pick up or to deliver to you. Let me know.

Happy New Year!

I'm open to recommendations.

The temp no parking signs and clean ups only do so much.

Good morning Jose,

I have not responded to this email yet, but wanted to know if you have some permanent ideas? We were there about 2 weeks ago and removed vehicles and RVs. I do not know if they are the same ones as she claims, but will follow-up next week.

I hope your New Year is starting off in a good note.

Thanks for all your help.

On Friday, 12/21 the RV's were asked to leave the back of our building. All left except for this tent. It's still here. More pictures to come because the RV's are back in both the front and the back. They are the same ones that were asked to leave.

Guys,

CD1 is starting to get calls about the increased amount of encampments on Ave 61.

We now have about 10 tents that never come down and completely blocked entire sidewalk.

A few have set up pop up tents too.

Our next CSLA here is 12/18 so we need some help this week. After 12/18 will need help w plan to prevent occurrence as much as possible.

CD1 Notification Effective 12/3 RV Disposal Program in Lincoln Heights

Hi LAPD Team,

As I have mentioned before CD1 with LASAN and LAHSA have been developing and constructing an RV Disposal Project at the North Central Sanitation Yard in Lincoln Heights.

Effective Monday, 12/3 it will start.

The program only operates on Monday and Friday 9am to 12pm.

LAHSA, CD1, and LASAN control numbered vouchers.

Due to start up challenges, today is the first day LAHSA will be doing outreach to RV dwellers in Lincoln Heights (see maps)

Starting next week, LAHSA will continue and only do outreach in CD1 Hollenbeck and Northeast Divisions.

We will gauge participation and cross reference voucher utilization.

As I mentioned before, I am willing to give Hollenbeck, Northeast, and OCB HOPE vouchers to utilize in CD1. If interested, let me know who your designated liaison will be since I need to provide vouchers and log that I will collect before issuing more vouchers.

All vouchers are numbered so copies will be identified and prohibited at yard.

RAP Rangers & LAPD NE/ OCB HOPE/ TSB HOPE:

Just a reminder.

On **Thursday, November 1 from 10am to 2pm** CD1 and Exodus Recovery will host a Homeless Connect Day at Cypress Park Recreation Center.

Our past connect events at other parks have helped many homeless people connect with resources.

Set Up is at 7:30am and breakdown at 2pm.

We will set up outside in grass area along fence near Poplar/ Ave 27.

Our goal is to bring about 20-30 resources. The mobile shower and mobile health clinics will park on Poplar St using DOT temp No Parking signs.

Pls see the save the date flyers to distribute to homeless in Cypress Park.

If you need flyers I will have some for pick up or to deliver to you. Let me know.

Good evening Jose,

I hope you had a wonderful weekend.

I am writing this evening once again to respectfully request that "No Oversized Vehicle Parking" signs be placed at Avenue 32 and Edward Avenue and also along Delay Drive. The area is behind Ribet Academy where there are no

homes on one side, which is a prime location for these RV's to start parking overnight. And also along the side of the 2 Freeway by Edward Avenue.

As I had originally predicted in my initial email, the overflow RV Parking would find its way to the residential areas with children and families. LAPD has their hands tied and are unable to assist in these situations.

Once again, I'm attaching photos of the RV that has been parked in front of my home all weekend long. This is not their first time parked here.

I am available at any time to speak with anyone of your representatives in order to make useful suggestions on where more signs need to be installed.

I will also occasionally submit more photos of RV's that have continued to take liberties living on our residential streets and littering their trash and human waste which is worse than being parked on the boulevard.

Please have someone contact me as soon as possible, as I am sure this situation will only get worse should there be no action taken or repercussions given.

These photos were all taken this week and not more than a 5 block radius from my home.

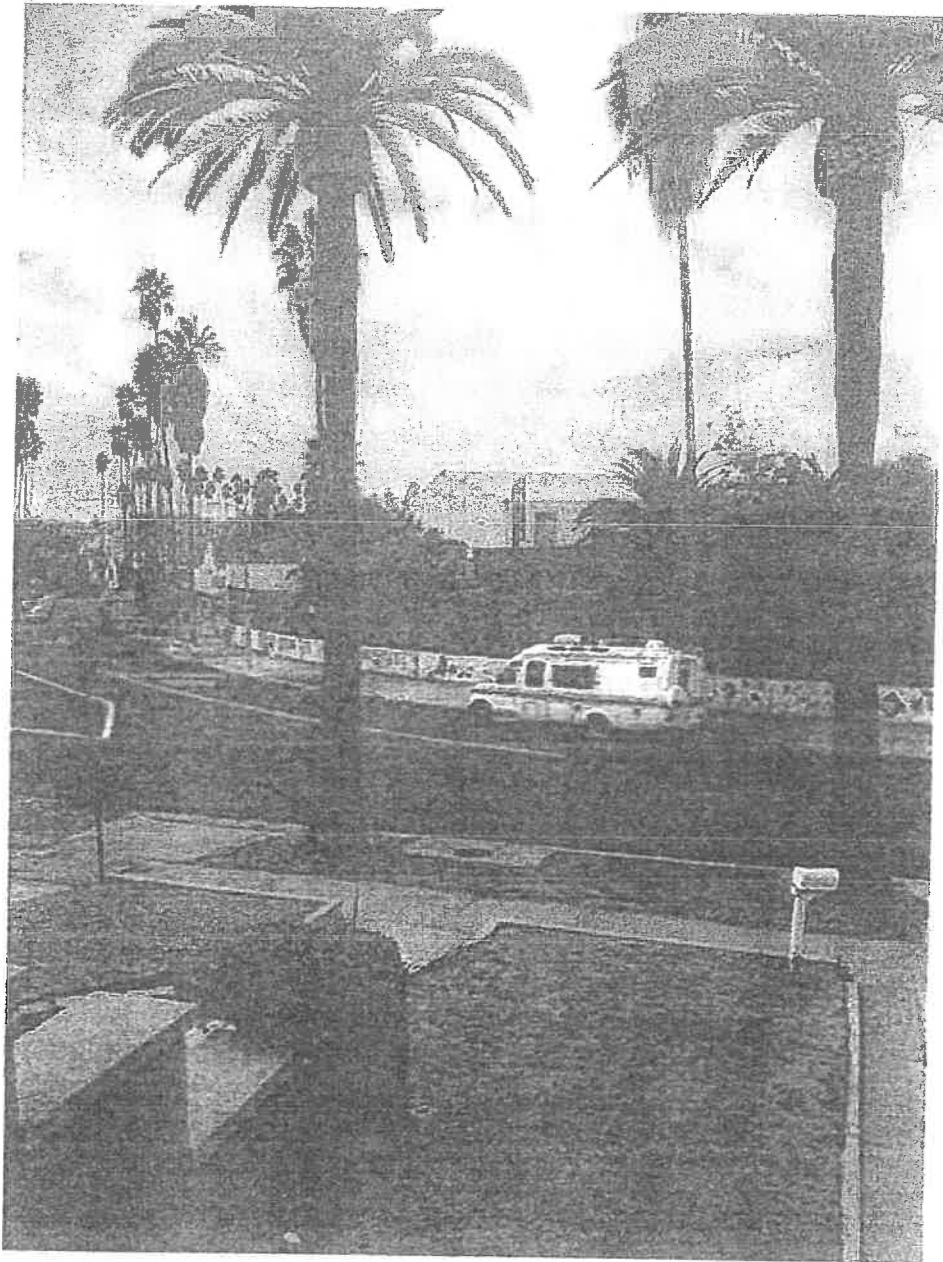

I'm not sure when it became lawful or acceptable for citizens to reside on city streets or sidewalks in tents, cars, or RV's. But if it continues, at some point in time, there will come a point of no return. This is why we have laws and ordinances that must be enforced regardless of anyone's political views.

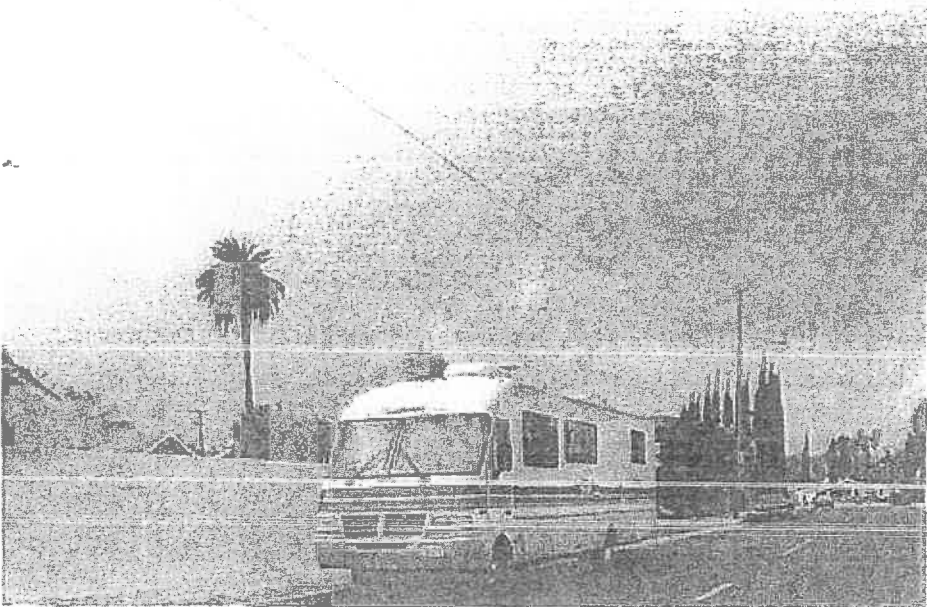

I am grateful for all that you have accomplished so far, but there is much more to be done.

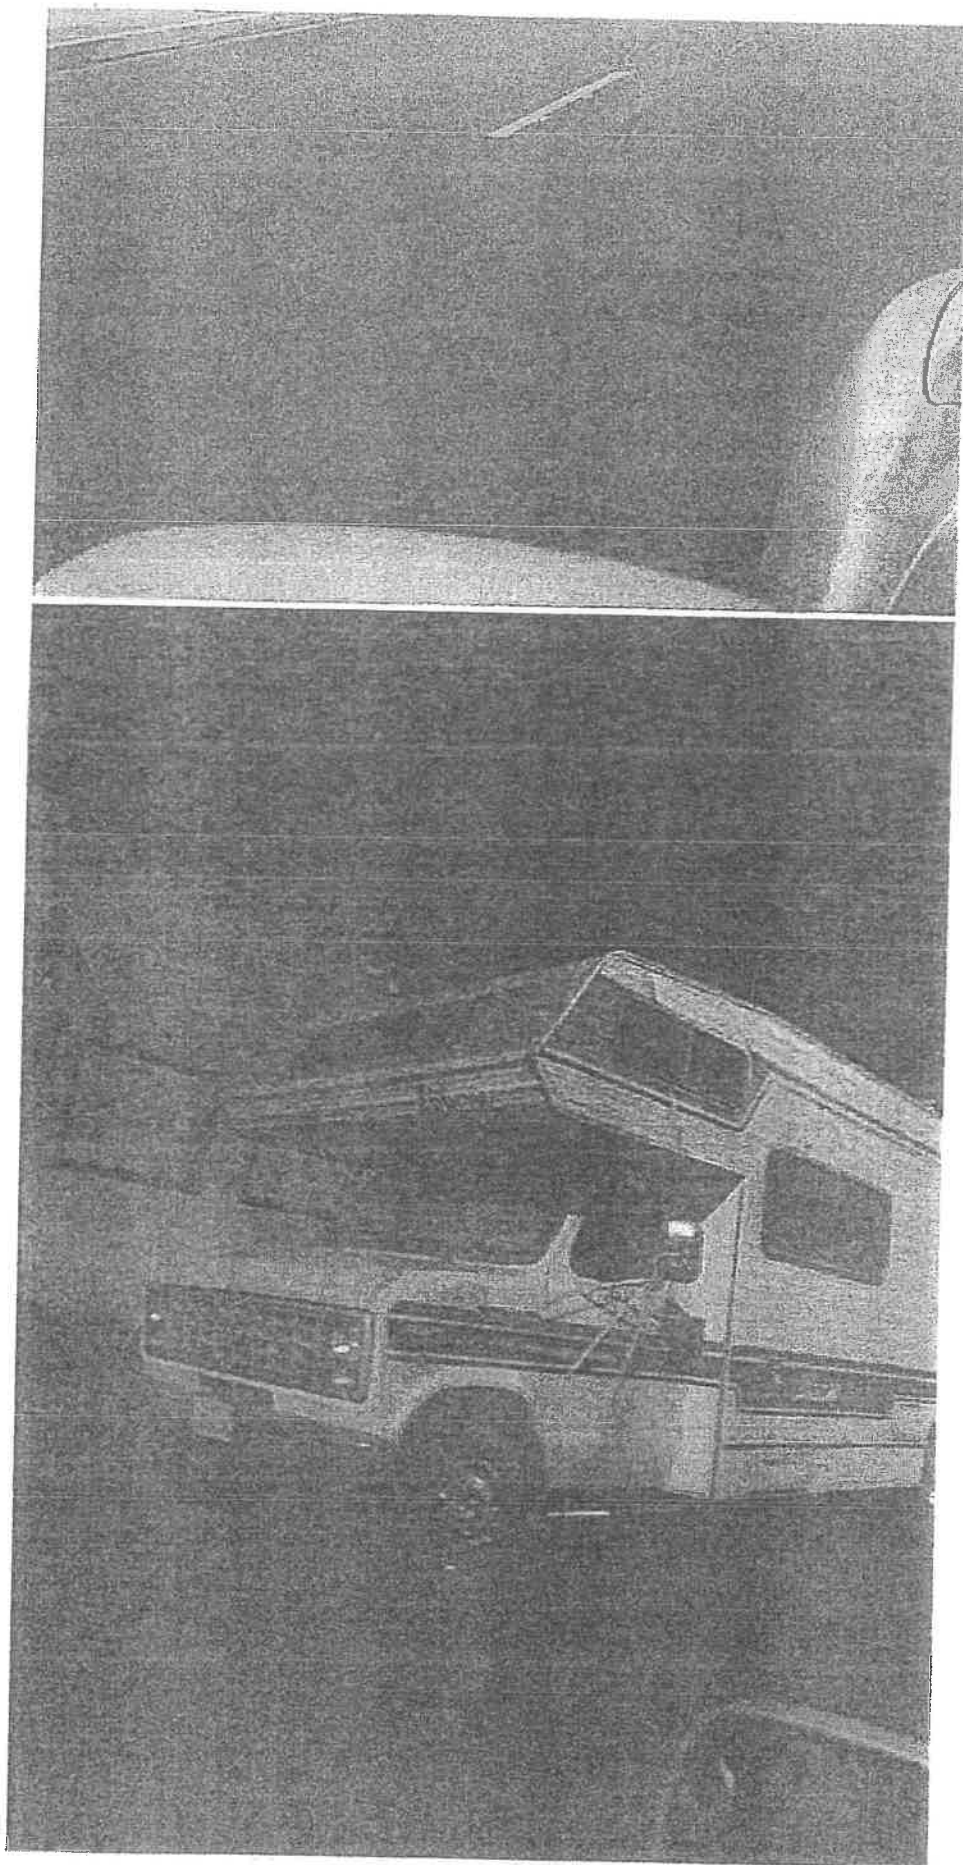

Thank you for your attention to this very important matter.

Sincerely,

A black rectangular redaction box covering the signature area.

The goal is to identify mutually agreed upon encampment hot spots based on LASAN AMS SRs, CD1 community complaints, and Rampart calls for service.

Together identify strategy w outreach, clean ups, enforcement, and crime prevention through environmental design.

LAPD Team,

CD1 and Shower of Hope started this month at Lincoln Park, Cypress Park, and at Mac Park.

At Mac Park we are averaging about 20 people on Friday.

We only had 3 people at Lincoln Park and Cypress Park. LAHSA and other outreach teams are passing out flyers. I need Hollenbeck, Northeast, and TSB/ OCB/ River HOPE teams to pass out flyers too as appropriate the immediate area of sites.

LAHSA has engaged folks and conducting follow up and referrals.

Every Friday at Mac Arthur Park. We are not creating flyers for now as there is already presence of homeless people to participate.

Every other Thursday at Cypress Park Rec Ctr or Lincoln Park Rec Ctr (alternating weekly).

Attached are flyers.

Pls let me know if you have any questions, recommendations, or problems I should know about call me 213-785-4896 cell.

Guys,

GSD continue to do work along the Arroyo Seco behind ATS OPG Tow Yard at 403 W. Ave 33 and LA Animal Shelter 3201 Lacey St.

As you know last week they started the work to cut overgrown vegetation and install no trespassing signs while Sanitation performed clean ups on 9/10-9/11.

On Tuesday, 9/18 work continues and they are asking for some police support. Im not sure what the need is but want either Hollenbeck or HOPE to make contact and exchange info.

Main contact is Jose Falas, phone # (213) 216-4566 (though VM says Luis Hernandez). His group will start at 7:30 am and the meeting place was to be the ATS Tow Yard. At least send someone to check it out I know nobody can stay the entire time. This crew has helped us on lots of issues.

I apologize for short notice I just got the info about 30 mins ago.

Pls confirm.

LAPD Team,

CD1 and Shower of Hope started last week on 9/6 at Lincoln Park and held off on 9/7 at Mac Park.

Starting this week. The shower and LAHSA or local homeless CES provider will be at the shower according to the following adjusted schedule:

Every Friday at Mac Arthur Park. We are not creating flyers for now as there is already presence of homeless people to participate.

Every other Thursday at Cypress Park Rec Ctr or Lincoln Park Rec Ctr (alternating weekly). This week at Cypress Park. Attached are flyers.

If this changes I will let you know.

Pls let me know if you have any questions, recommendations, or problems I should know about call me 213-785-4896 cell.

Our last event in May reached 133 homeless people connect with resources.

Set Up is at 8:30am and breakdown at 2pm.

We will set up outside in area between park main driveway and restrooms along Valley Blvd. **We will need RAP Rangers to help ensure bathrooms are unoccupied that am.**

Our goal is to bring the about 20 resources like last time. If we get the mobile shower and mobile health clinics I will park them on Valley Blvd using DOT temp No Parking signs.

Once flyers are completed I will get them to you to distribute to homeless in and around the park.

Field staff receiving complaints about the activity and people in the RVs and other vehicles on Marmion Way between Monte Vista and Museum Dr (along Gold Line track).

Please let me know if either of your teams can attempt contact and any applicable enforcement in area.

Constituents claim vehicles are generating trash, bringing bulky items and leaving along curb that tumble down to fence along goldline, and the RVs have not moved in 2 weeks.

Is it possible to send DOT to mark the tires? When the HOPE team contacted the homeless subjects, he did not have any tents or property on the sidewalk, his vehicle with expired registration was cited (not more than 6 months), officers checked the subjects for warrants (none), he was informed of the 56.11 ordinance, refused outreach, and they could not find any other violations.

I will send them back, but so far, we have no probable cause to force him from this location. I will contact the Area SLO and see if they can make contact with this person.

Good evening all,

We just arrived home this evening to find a man has pitched a tent across the street from our home.

We live behind Ribet Academy. We are now very concerned that more homeless will arrive and it will become an encampment. He not only brought his car but he has his bicycle parked in front of his tent as well. He has been parked there since 10am this morning.

My 10 year old son was terrified to leave our house this evening because he thought our house was going to be broken into. He was even more afraid when we got home this evening to find that the tent was still there.

With all of the RV's parked down the street on Delay Drive and now people pitching tents across the street from our home, I am very concerned for the safety of my family and home.

Please let me know what can be done before this turns into a homeless encampment. I believe that this is a dire situation.

Maggie has done as much as she can to keep our neighborhood clean but we need help from our city council to help and keep us safe.

I appreciate any help we can get before this gets by worse.

Regards,

Good day Sirs,

Things are getting worse by the day, Yesterday the transients got into a big fist fight while our crew was training in the street. The crew tried to deescalate it but eventually LAPD was called out. We also noticed a broken window on our Fire Station on that same side of the street and had a police report made(see Attached). Last week we had a family member come to visit the station, she said the transients were poking and swinging big sticks at each other. She said she didn't feel safe and left the area. Also attached is there growing camp, and all the trash spread about the street. Please call Fire Station 1 at your earliest convenience and speak with any of the on duty Captains.

Thank you

Mark Harrison

Is this for LACC? The reason I ask, if we are talking about the LASAN trucks it is very difficult to gauge when they send one guy and a stake bed truck. We can estimate 3 locations, but seeing one guy lift sofas and furniture all by himself is not comfortable. This might be the reason the SLOs are not utilizing the trucks like we wanted them to. Unless something comes up, I should be at the Cypress Park event and we can discuss this further. Or let's plan to meet next week so far the only day not available is the 4th of July.

I have coordinated a team w/ LAPD and LA Sanitation to visit the area and collect all illegal dumping and items deemed trash along along Artesian tomorrow.

Anything that is deemed personal property will not be touched. If any encampments remain we will have them scheduled for June 6 next day for Authorized encampment clean ups in Hollenbeck.

I will report to DOT 2 RVs on Artesian facing Ave 33 for investigation of not moving 72 hrs.

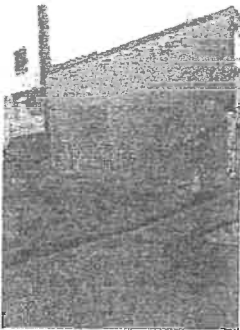

In addition, I would encourage the BID to revisit an earlier discussion last year about parking restrictions in the area.

Kelly,

I added LAPD Hollenbeck and OCB HOPE to thread.

We all collectively need to get our arms around this park to aggressively and consistently resolve these issues.

I want LAPD and RAP to provide a calls for service log and RAP to provide a maintenance repair job order log for past 1yr for this meeting.

I'm only available:

Monday 5/21

9-12pm

Tuesday 5/22

1030-12pm

Wednesday 5/23

1130am

Thanks,

Jose Rodriguez, Deputy District Director

Hi,

I wanted to give RAP Rangers and LAPD HOPE/ Hollenbeck a heads up.

On Thursday, May 3 from 10am to 3pm CD1 and Exodus Recovery will host a Homeless Connect Day at Lincoln Park Recreation Center.

Last Spring our connect event at the park helped many homeless people connect with resources.

Set Up is at 8:30am and breakdown at 3pm.

We will set up outside in area between park main driveway and restrooms along Valley Blvd. We will need RAP Rangers to help ensure bathrooms are unoccupied that am.

Our goal is to bring the about 20 resources like last time. If we get the mobile shower and mobile health clinics like last time I will park them on Valley Blvd using DOT temp No Parking signs.

Once flyers are completed I will get them to you to distribute to homeless in and around the park.

Unfortunately, we have something scheduled for Monday with CD-13, but we can have the Rampart Team handle that location on Tues. Please send your Sanitation crew to Olympic & Grattan and your Conservation Corps to San Fernando and Humboldt. We have two rapid response teams every three weeks, but one team is strictly inside the river bed. We can discuss it further on Tuesday.

Art,

We are confirmed for T 2/6 at 11am LA Baking.

The supervisor responded and was looking at modifying schedule but if it does not work out will send on T. Stand by.

We had an encampment fire on Grattan between Olympic and James Woods. See photo.

Pls if possible have your team check it out and lets have crew join you next week as one of your sites.

Thanks,

Good morning Jose,

If this does not work can we use them on Tues and Wednesday; I will make sure we stay on CD-1's area. I will have the team start at another location on Monday.

Lets due Tuesday at 11 at LA Bakery.

Art,

The crew works T-S so let me get permission from their boss to work M. Stand by.

I can meet:

T 2/6 anytime 830-12pm

W 2/7 anytime 1030-3pm

Let me know if LA Baking will work.

Good morning Jose,

I hope the New Year finds you well. I have been a little busy catching up, but was hoping next week we can start working together again. I would like to request your Conservation Corps team assist us with a clean-up at the LA River behind the yard on San Fernando Road. We are starting our River HOPE Team at this site and the extra bodies would help with these extremely large encampments. We are going to meet in front of the yard on San Fernando Road on February 5th at 8:30 a.m. Please let me know if this is possible so I can schedule it.

Please let me know when you are available so we can have that meeting we had planned. This week is a little busy with the launch of the River Team, but let me know what works for you.

Good afternoon,

Can you please schedule your sanitation truck & LACC to meet us at 2nd and Emerald (8:30 a.m.)? We are also planning on hitting the public parking lots on Marmion Way between Ave 55 and Ave 57.

I know we planned on meeting, but I am working tomorrow and then I start my vacation (Jan 5th through Jan 22nd). I will assign one of my guys to contact you to schedule the Tuesday and Thursday response, but we are going to have to skip the week of the 15th and 22nd. We are starting the deployment of our River HOPE Team and we did not get any additional officers; I must make do with my current resources.

I will contact when I return and we can catch up and discuss our new plans for 2018.
